Under the ruling of Secretary of State Bryan pulls down \$250 a night when on the lecture platform and can afford to be scored some for spending his vacation giving delightful talks. Money makes more go and most people are willing to be lashed some to acquire it.

Judge Charles Fillius of Warren is talked of as the democratic candidate for congress in the new nineteenth district. No better nomination could be made. Mr. Fillius is recognized as one of the strongest men in the district and not only democrats but republicans in large numbers would be pleased to assist in boosting him into a seat in congress.

### SENATOR POMERENE STARTS FIGHT FOR POSTMASTERS

Washington, July 23.—Through the efforts of Senator Pomerene the senate committee on postoffices adopted a resolution which will place the Ohio postoffice nominations in the hands of a committee consisting of Senator Charles E. Townsend, a Republican, and two Democrats.

The Democrats have not been appointed yet but Senator Pomerene has the assurance of Chairman Bankhead that there would two militant members on the committee to make a fight to bring out the thirty-three Ohio nominations that are held up in the committee.

Under the old organization of the committee all of the Ohio nominations are referred to Senator Townsend, who early in the session formed a combination with Senator Burton and a number of other Republicans by which there has been a wholesale hold up of postoffice nominations. Senator Pomerene made a move today which he hopes will break up the combination and bring about an early confirmation of the Ohio postoffice nominations.

This result will not be achieved without resistance from the Burton-Townsend combination.

Both the senators from Ohio and Michigan were busy this afternoon rallying their forces and are preparing to take a stand first in the senate committee against the effort to secure a favorable report on the nominations to senate and later to prevent the confirmation of the nominations.

Neither Senator Burton nor Senator Townsend would divulge the plan but there is no doubt that they are planning a filibuster which in the end may involve the currency bill if not the tariff.

The Republican senators are fully aware that the Democratic leaders are anxious for an early passage of the administration legislative program and there is a possibility they may take advantage of this in the fight against the confirmation of the nominations.

The following are the Ohio nominations involved in the fight: Stewart D. Hazlett, Ada; Solomon C. Allison, Ashville; Louis J. Gollings, Bedford; Harry E. Marshall, Bergholt; C. A. Weldaw, Bloomfield; Charles C. Fowler, Canfield; John W. Sanford, Canton; C. C. Haddell, Cortland; John E. Taylor, Crooksville; Albert G. Witte, Elmore; George D. Dunathan, Findlay; A. H. Meeker, Greenville; Clate A. Wagner, Kenmore; E. E. France, Kent; W. W. Daniels, Leroy; Charles E. Gain, London; Charles Stroup, Lynchburg; Frank T. Campbell, Marion; T. O. Armstrong, Middle Point; D. C. Brown, Napoleon; D. F. Ackers, New Carlisle; William Briggs, New Holland; William B. Meyer, Oxford; Clarence A. Planagan, Pleasant City; Fred H. Johnson, Quaker City; George H. Gee, Salem; George J. Windell, Sebring; B. G. Trew, Shawnee; Jacob Fracker, Sherwood; Orange V. Fritz, West Alexandria; O. E. Curl, West Mansfield; C. A. Rush, Wickliffe.

### County Jail Prisoners.

Sheriff J. C. Unstead has just filed a report of the county jail for the year ending June 30. The total number of prisoners during the year was 1208, of which 1085 were men and 123 women; 525 were born in Ohio, 191 in other states and 492 were foreign born; unable to read and write, 133; insane, 73; given jail sentences during year, 538; average sentence, 30 days; in jail June 30, 39. The cost of maintaining prisoners during the year was \$12,722.80, and the cost of feeding each prisoner for the first half of the year being 70c a day and the second half 50c, making the average for the year 60c.

### IDORA PARK CASINO

J. R. Elliott, Mgr.

Wm. M. Elliott presents the Columbia Minstrel Maids. All special scenery, beautiful costumes, 25 people. Singing girls, dancing girls, musical girls. Grand minstrel—Big Olio of special selected Vaudeville numbers. The big city show.

New Millinery Store.  
Neff Bros have rented their rooms over the store to a Millinery firm from Cleveland which will take possession early in the fall. Watch this paper for announcement.

## YOUNGSTOWN

Alonso D. Fassett, who published the first daily newspaper in this city, the *Star* and *Manufacture*, died last week in the home of his daughter in Toledo, aged 67. Fassett was indeed a character. He was careless in his personal appearance but was full of energy. He managed to be elected state senator from the Trumbull-Mahoning district 25 or more years ago and filled the office right creditably. Later Gov. Foraker appointed him state labor commissioner. After leaving this city about a quarter of a century ago he located in Toledo and published a hot political sheet called the *Critic*.

An infant boy was left on the door steps of Nathan Ozerky's residence in East Myrtle Avenue early last Friday morning. The clothing of the youngster was of fine material but there was nothing by which he could be traced to his parents. Mr. Ozerky was going to work when he discovered the child and he called the police. When they came Mrs. Ozerky refused to turn the child over to them, declaring that she was going to keep it for her own.

Now that the charter election is over the time-honored question of how to eliminate grade crossings may again have free swing.

Despite the fact that all the iron plants in the valley are running full time and every man who wants a job can get it there is a drag about store trade that merchants cannot explain. Ask almost any tradesman how business is and he will answer "Rotten."

There will be no more league ball games in this city this season, the Interstate league having gone to pieces.

Paul Powers, owner of the Steelmen, lost a bunch of money on the team, but he is a true blue sport and if there is any possibility of a league being organized for this section next season it is a safe guess that Paul will have a team in the going.

The tick that the charter got Tuesday night is nearly as hard as the one received between the eyes by one of the charter opponents.

Joe Weiss has been wearing colored glasses for a week or more and they are very becoming.

There will continue to be a swarm of tax-eating seekers of office in this city.

And the charter carried sure it is a lot of politicians and near politicians would have been out of jobs for all time.

Some fine fish are being yanked out of the lakes in Mill Creek park.

There are real estate agents in this city without end. And the line of talk that some of them hand out is so charming as to be really irresistible.

A. G. Clark of Sebring was defeated last Saturday for endorsement for a second term as member of the Mahoning county board of elections at the meeting of the Republican county committee Saturday afternoon by John E. Gilbert of Washingtonville.

The vote was 57 to 20, and was later made unanimous on motion of Attorney Edna Brown, on behalf of Clark. There is some talk among Clark's friends of making an effort to have the endorsement of the committee rejected by the secretary of state, who must make the appointment by Aug. 1.

D. F. Anderson and A. E. Adams have each sued the Vincitor Co. for \$100,000 damages for the publication of an alleged libelous communication growing out of the charter fight. The article is said to have been written by a wealthy citizen and developments at the trials promise to be interesting.

The board of control met last Saturday and awarded the contract for the Mill Creek reservoir dam to the Louisville & Co. The dam will have a concrete core 2100 feet long and 50 feet thick. The cost of the work will be \$469,599.

No great surprise was expressed even by friends of the new charter when it was announced Tuesday night that it had been beaten two to one. The vote in favor of the charter was 2972 and 5984 against it.

John H. Ruhlman, administrator of the A. R. Zigler estate, brings suit in Mahoning county courts for \$25,000 damages against the Youngstown Southern Railway company. Plaintiff alleges decedent was killed in a head on collision of two of the defendants cars near North Lima, July 31, 1912, while employed as a motorman. A verdict is made that decedent was engaged in interstate commerce.

A style show will be held in this city about the middle of September. Rosser Jenkins of Mineral Ridge was knocked down by an automobile in this city Monday evening and badly injured. He is in the hospital.

The Odd Fellows' lodges of the city will have a big outing at Southern park August 6.

City and other bonds are rather slow sale these days. The money market is tight for bond buying.

Since the defeat of the charter last Tuesday many candidates for city offices are coming from cover and it is very evident that none of the places will be permitted to go begging.

Wholesalers now do business in the city market house.

Mayor Hartenstein has announced that he will be a candidate for a second term. It is said that Attorney A. W. Craver, a former mayor, may be his democratic opponent.

The new law cutting out the employment of girls under 18 years of age affects many who need to work and should be permitted to do so.

There will come a time when this sort of nonsense must end.

**Motorcycle Races.**

Youngstown will have motorcycle races on Saturday, August 2, at South-east, where Arthur O. Lemley is promoting the races and has handed up \$200 in prizes.

Never before has Youngstown been able to have such a galaxy of fast riders as will be seen on August 2. There will be six events for both professional and amateurs.

The Southern Park track is the only track of its kind in America. It was built by Senator Tod as a place to work out his young horses and was built on a new principle.

From the list of entries, good races are bound to be seen for the riders come from all parts of this state, as well as Pennsylvania.

## SALEM

John Sechler's meat market was raided by thieves Monday night. The cash register was carried off and the building and broken open but it yielded little coin. Probably 25 pounds of meat were taken.

Improvements are being made at the waterworks.

New wheat has been brought to this market during the week. The yield is much better than was expected a few weeks ago when the weather was so dry.

Mike Wise, arrested Sunday afternoon for illegal liquor selling, pleaded guilty Monday and Mayor McKay gave him the limit of the law, \$50 fine and costs.

The fire department was called out Monday evening to extinguish a fire on the roof of a Pennsylvania box car.

Ida Patterson, colored, caused the arrest of her son Monday charging him with having slapped her.

Samuel Thomas and wife have gone to Utah to spend two or three months for the benefit of his health.

When Rada King, aged 17, awoke early Saturday morning she was surprised to find her room in flames and the early visitor took to his heels.

Socialists will have a municipal ticket in the field.

Editor George Gee expects Senator Burton to hold up his appointment as postmaster as long as possible, but the best the senator can do is to hold him out of office until the close of the present session of congress. Then will come a recess appointment and Postmaster Atcheson will have to step down and out.

Last Saturday evening Mr. and Mrs. J. R. Carey celebrated the 25th anniversary of their marriage. Quite a number of people from other places being in attendance.

Only two per cent of the party vote is required upon the petitions of candidates for town and township offices.

It was the understanding that here was to be no gambling in the city during the carnival last week, but it was observed that games of chance were numerous and no attempt was made to stop them. Great is the carnival, nit.

Dennis Weiss died Saturday afternoon, aged 67. He worked for the Youngstown Sheet and Tube Co. and was the longest employed of the company in point of service. Funeral services Tuesday were conducted by Rev. W. L. Swan and burial was made in Hope cemetery.

The work of making up a premium list for the coming year is under way in the city. The city has started and many of the prizes will be well worth striving for.

Quite a number from this city are attending camp-meeting in Sebring.

## EUREKA

July 23—Joe Harrold is building a new house.

R. A. Beard and family of Youngstown, Leader Longenecker and wife and Jonas Horst and family of Pine Hollow were at A. W. Longenecker's last Sunday.

Hay and wheat harvest over and next comes oats.

J. H. Schlag and wife spent Sunday at A. W. Harrold's.

Isaac Rohrer and Nicholas Stemphill, with their wives, were Sunday guests at Joe Harrold's.

J. W. Spickler has a fine crop of honey this season.

A Good Investment.

"An agricultural fair is a good investment for every farmer in the county," said a well known farmer, as he noted the date of the Mahoning county fair in the Dispatch last week. "And more than that," he continued, "it pays for everyone in the family to go. Aside from the good of getting away for a day and the meeting of friends, the fair is a good investment since the fair last year, there is much to be learned from the various exhibits. I understand, too, that the College of Agriculture is going to have its exhibit at our fair this year. That will be worth seeing and I intend to visit it in order to find out right from the instructors some of the latest facts that will be handed out on crops, live stock, dairying, horticulture and soil fertility."

How to Clean Straw Hats.

Many of the best-looking hats you will see on the streets this summer are old ones made young and respectable by three minutes' work with Elkey's Straw Hat Cleaner. Some of them may look better than your new one.

Change your mind about that new hat—get out your old one—buy a box of Elkey's Straw Hat Cleaner—and have a new hat for less than the price of a good smoke. We'll show you how to clean it.

Enough for two hat cleanings, 10 cents. Four times as much for 25c. Sold in this community only at our store, The Rexall Store, F. A. Morris, Canfield, O.

## SALARIES OF PUBLIC OFFICIALS

Patriots Filling High Offices For Pay Far Below Bryan's.

Mr. Bryan finds himself unable to live upon the Cabinet officer's emolument of \$12,000. He is not the first Federal official to find a serious discrepancy between income and outgo. Washington said that he wanted no salary, but the First Congress after various sums ranging from \$15,000 to \$70,000 were discussed, fixed the Presidential compensation at \$25,000; for the constitution said he must be paid.

At the beginning of Grant's second term the salary of the chief executive was raised to \$50,000; on March 4, 1867, \$125,000 was added for traveling expenses, and during the second session of the Sixtieth Congress the salary was definitely fixed at \$75,000. The Vice President gets \$12,000. The First Assistant Secretary of State receives \$5,000. The chief of the Customs Bureau is paid \$2,250. Civil Service Commissioners have \$4,000, the president of the commission \$4,500. The salary of the Secretary of the Smithsonian is \$3,000. Members of the Interstate Commerce Commission find \$10,000 in their pay envelopes.

It might be added that the salaries of the Governors of states range from \$12,000, paid the Governor of Illinois, and \$10,000 paid in California, New Jersey, New York, Ohio and Pennsylvania, to \$2,500 paid in Nebraska and Vermont. A Connecticut legislator got \$300 a year. Kansas law officers get \$100 a year.

Alkie with Federal and State Governments, the theory has always been that the honor of the office was in itself a reward far outweighing the financial return. The money paid in the coin was no measure of its value to the country. A great many faithful public servants have sincerely made enormous personal sacrifices. Root, for instance, relinquishing a \$100,000 law practice for a Cabinet portfolio.

Many upon retiring to private life at the expiration of the term of the office found their tested capacity in request in professional or business circles at greatly increased salary. Many an official has relinquished a highly lucrative law practice to accept the honorable responsibility of a personal assistant to the government.

Despite the modest wage scale, there is no perceptible diminution in the horde of applicants ready to immolate themselves upon the altar of patriotism. No postoffice is so poor that there is none to do it reverence. As long as the supply of capable office seekers inundates the demand it is unnecessary for the government to raise the wages of the host of servitors of its vast household.—Philadelphia Ledger.

Must Cut Weeds Along Highway

Land owners in Mahoning county will have to cut weeds along the road in front of their property. No longer will they be able to dodge this duty and have the township trustees do it, unless they wish it done at the public expense.

The new law which goes into effect August 6 provides that the road superintendent shall notify the owner of the farm and after a reasonable time if the weeds are not cut a gang of men are put to work to cut the weeds. The superintendent receives his money from the township trustees who in turn certify the cost to the County Auditor and it is charged as taxes against the farmer.

The new law follows:

Section 1. That Section 7148 of the general code be amended and supplemented by the enactment of supplemental Section 7148-1 and 7148-2 to read as follows:

Section 7148. The superintendent of such road shall show a duly sworn tenant to destroy such brush, briars, burrs, vines, thistles or other obnoxious weeds, growing or being on such road along the lands abutting thereon, owned or occupied by such land owner or tenant. Such land owner or tenant shall do the work or cause it to be done before the first day of the month in which it is required to be done as specified in Section 7148. In case such owners or tenant fails to comply with Section 7148 and the foregoing provisions of this section, the superintendent of roads or turnpikes shall do the work or cause it to be done.

Section 7148-1. When such work is done by the superintendent the township trustees shall certify to the auditor of the county the amount of the cost of the work, with the expense there to attached, and a correct description of the land upon which the work was performed, and the auditor shall place the amount upon the tax duplicate to be collected as other taxes. The county treasurer shall pay the amount.

Section 7148-2. The township trustees shall certify to the auditor of the county the amount of the cost of the work, with the expense there to attached, and a correct description of the land upon which the work was performed, and the auditor shall place the amount upon the tax duplicate to be collected as other taxes. The county treasurer shall pay the amount.

Section 7148-3. The township trustees shall certify to the auditor of the county the amount of the cost of the work, with the expense there to attached, and a correct description of the land upon which the work was performed, and the auditor shall place the amount upon the tax duplicate to be collected as other taxes. The county treasurer shall pay the amount.

Section 7148-4. The township trustees shall certify to the auditor of the county the amount of the cost of the work, with the expense there to attached, and a correct description of the land upon which the work was performed, and the auditor shall place the amount upon the tax duplicate to be collected as other taxes. The county treasurer shall pay the amount.

Section 7148-5. The township trustees shall certify to the auditor of the county the amount of the cost of the work, with the expense there to attached, and a correct description of the land upon which the work was performed, and the auditor shall place the amount upon the tax duplicate to be collected as other taxes. The county treasurer shall pay the amount.

Section 7148-6. The township trustees shall certify to the auditor of the county the amount of the cost of the work, with the expense there to attached, and a correct description of the land upon which the work was performed, and the auditor shall place the amount upon the tax duplicate to be collected as other taxes. The county treasurer shall pay the amount.

Section 7148-7. The township trustees shall certify to the auditor of the county the amount of the cost of the work, with the expense there to attached, and a correct description of the land upon which the work was performed, and the auditor shall place the amount upon the tax duplicate to be collected as other taxes. The county treasurer shall pay the amount.

Section 7148-8. The township trustees shall certify to the auditor of the county the amount of the cost of the work, with the expense there to attached, and a correct description of the land upon which the work was performed, and the auditor shall place the amount upon the tax duplicate to be collected as other taxes. The county treasurer shall pay the amount.

Section 7148-9. The township trustees shall certify to the auditor of the county the amount of the cost of the work, with the expense there to attached, and a correct description of the land upon which the work was performed, and the auditor shall place the amount upon the tax duplicate to be collected as other taxes. The county treasurer shall pay the amount.

Section 7148-10. The township trustees shall certify to the auditor of the county the amount of the cost of the work, with the expense there to attached, and a correct description of the land upon which the work was performed, and the auditor shall place the amount upon the tax duplicate to be collected as other taxes. The county treasurer shall pay the amount.

Section 7148-11. The township trustees shall certify to the auditor of the county the amount of the cost of the work, with the expense there to attached, and a correct description of the land upon which the work was performed, and the auditor shall place the amount upon the tax duplicate to be collected as other taxes. The county treasurer shall pay the amount.

Section 7148-12. The township trustees shall certify to the auditor of the county the amount of the cost of the work, with the expense there to attached, and a correct description of the land upon which the work was performed, and the auditor shall place the amount upon the tax duplicate to be collected as other taxes. The county treasurer shall pay the amount.

Section 7148-13. The township trustees shall certify to the auditor of the county the amount of the cost of the work, with the expense there to attached, and a correct description of the land upon which the work was performed, and the auditor shall place the amount upon the tax duplicate to be collected as other taxes. The county treasurer shall pay the amount.

Section 7148-14. The township trustees shall certify to the auditor of the county the amount of the cost of the work, with the expense there to attached, and a correct description of the land upon which the work was performed, and the auditor shall place the amount upon the tax duplicate to be collected as other taxes. The county treasurer shall pay the amount.

Section 7148-15. The township trustees shall certify to the auditor of the county the amount of the cost of the work, with the expense there to attached, and a correct description of the land upon which the work was performed, and the auditor shall place the amount upon the tax duplicate to be collected as other taxes. The county treasurer shall pay the amount.

Section 7148-16. The township trustees shall certify to the auditor of the county the amount of the cost of the work, with the expense there to attached, and a correct description of the land upon which the work was performed, and the auditor shall place the amount upon the tax duplicate to be collected as other taxes. The county treasurer shall pay the amount.
